DECLARATION OF THOMAS L. GREY UNDER 37 C.F.R. § 1.132

I, Thomas L. Grey, hereby declare:

1. I am an inventor of all of the patentable subject matter found in Mann et al., Method of Treatment of Dysmenorrhea or Relieving Menstrual Cramps, U.S. Patent 6,282,443 (Aug. 28, 2001).
2. I am an inventor of all of the patentable subject matter found in the above-referenced application.
3. I was subject to an obligation to assign the above-referenced application to Woodside Biomedical, Inc. at the time I invented the subject matter described in the above-referenced application.
5. Thus, at the time of the invention, the Mann patent and the above-referenced application were commonly owned by Woodside Biomedical, Inc. Both the Mann patent and the above-referenced

application have recently been assigned by Woodside Biomedical, Inc. to Abbott Laboratories and remain commonly owned.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code, and that such willful false statements may jeopardize the validity of the application, and any patent issuing thereon.

Date: September 9, 2003
